We Deliver Effective and Cost-Efficient Human Resources Solutions  
to the Federal Government

# About Us

Founded by Dr. George Kettner in 1990, EconSys empowers government agencies to improve the effectiveness and efficiency of human resources (HR) operations and manage the “hire to retire” lifecycle.

EconSys comprises of highly experienced consultants and subject matter experts that create technology, service offerings and custom solutions to address HR issues in federal and state agencies. Our diverse staff of federal HR practitioners, statisticians, operations researchers and software developers strive to help agencies approach problems and decision-making more quantitatively. This focus and expertise allows us to provide the highest quality products and services for our clients.
